## **PRIOLA CAMPAIGN DELIVERS 10,000 TARGETED DOOR HANGERS IN DISTRICT**

**Columbia, Maryland - May 13, 2010** - Ed Priola, Candidate for the Maryland House of Delegates from District 13 in Howard County, today announced that he delivered the 10,000th targeted door hanger. Since November 2009, Priola and volunteers have delivered the door hangers to targeted residents of the District, promoting his campaign planks of lower taxes and spending, job growth, government transparency and term limits for all elected officials.

"From North Laurel to Columbia to Elkridge and Dayton, I have enjoyed meeting the residents of District 13," Priola said. "As I have traveled from one end of the District to the other, I have met Democrats, Independents and Republicans, all of whom are impacted by the decisions made in Annapolis. I want to be part of the solution to bring transparency and common sense to our State government, sanity to the budget, and support to businesses to increase job growth, not only in Howard County, but across Maryland."

"Maryland taxpayers are facing tough times right now. That is why I signed the Taxpayer Protection Pledge of the Americans for Tax Reform and committed to never raise taxes. It is also why the first bill I will introduce in the House of Delegates will be to enact term limits for all elected officials."

Priola will continue delivering door hangers and participating in events across District 13, meeting with residents to share thoughts and ideas. For more information, visit [www.edpriola.com](http://www.edpriola.com) or contact the candidate at [ed@edpriola.com](mailto:ed@edpriola.com).
